

2006 TEC AWARDS PROGRAM BOOK Program Sponsorship -- Rates & Deadlines

The TEC Awards Program Book is a premium-quality, magazine-sized publication that commemorates the TEC Awards ceremony. The Program Book features biographies of individual nominees and descriptions of nominated products and projects. It will be distributed to attendees at the TEC Awards ceremony in San Francisco on Saturday, October 7th, and subsequently mailed to leading production facilities and prominent members of the audio industry.

Program Sponsorship in the TEC Awards Program Book is an appropriate way to express gratitude to the industry for a nomination, promote a company's leadership role and/or indicate support for the activities and goals of the TEC Awards and the Mix Foundation for Excellence in Audio.
